## DETTSON electric furnace

### Supreme Comfort

A platform which offers a galvanised cabinet and a PSC motor only

### Supreme Advantage

This unit offers a broader output range than the Comfort platform. Furthermore, the painted cabinet and designer front doors offer an updated look with the option for a variable speed motor.

### Supreme Modulating

It offers the same capacity kW range as the Advantage platform, and in addition a fully 0 to 100% modulating operation (not only a staged operation). This full modulation of the elements is combined with a variable speed motor in order to fully benefit this advanced control for energy efficient operation.

Manufacturer warranty: 5 years on parts

## RUUD-RHEEM electric furnace

Model RH1T/RH2T

The Ruud/Rheem air handlers feature a Constant Torque motor (ECM), versatile 4-way convertible design for up flow, down flow, horizontal left and horizontal right applications. Field-installed auxiliary electric heater kits provide exact heat for indoor comfort. 1 1/2 ton [5.3 kW] through 5 ton [17.6 kW] models.

Manufacturer warranty: 10 years on parts

## KEEPRITE electric furnace

Model FEM

Comfort is the key when you pair your outdoor unit with a compatible fan coil and high efficiency is a plus. Our compact multi-speed fan coil delivers more comfort options while delivering energy-saving airflow. It's designed for standard and tight spaces with multi-position installation to fit your home's needs.

- Multi-speed fan blower that can quietly deliver more even levels of temperature
- Narrow design to fit tight spaces
- Corrosion-resistant all-aluminum coil
- Fully insulated cabinet
- 10-year parts limited warranty\*
