## GSW brand Water Heater

### Product Features

- Sealed combustion chamber design prevents accidental ignition of flammable vapours
- Compact design makes it great for tight space installations
- Exclusive TankSaver<sup>®</sup> design that prolongs tank life
- Conveniently located T&P, drain valve, junction box and anode allows for stress-free maintenance

Manufacturers limited warranty: 1 year parts and labor, 6 years on tank leakage.

## Gas Water heater

### Features

#### Designed for Performance

- Turbulator dip tube reduces sediment build-up at the bottom of the tank
- Thermopile design provides robust pilot to withstand down drafts
- Glass lined tank provides superior protection against corrosion
- The Flame Guard Safety System protects the homeowner by trapping burning vapours within the water heater's combustion chamber through the exclusive "Flame Trap"

Manufacturers limited warranty: 6 years on parts, 8 years on tank leakage.
